Dear Mr. Booth:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule H4 of your report discloses a payment(s) for Voter Registration activity. 11 CFR §100.24(b) defines as Federal Election Activity, voter registration activity during the period beginning on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held, and ending on the date of the election. Furthermore, the costs for this type of Federal Election Activity must either be paid with federal funds or allocated between federal and Levin funds. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for this payment(s) is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Although the Commission may take further legal action regarding this prohibited activity, your prompt action will be taken into consideration.

-Please clarify all expenditures made for "FUNDRAISER LUNCHEON", "FUNDRAISING EVENT" and "SALUTE FUNDRAISING DINNER" on Schedule(s) B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E or F supporting Lines 23, 24 or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "Voter Registration" and "Voter Reg Reimbursement". For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or my local number (202) 694-1153.
